An affirmative answer to either question will not *automatically* prevent you from continuing in the program, but each will be reviewed by the Executive Committee in order to determine whether a positive admission will pose a risk to your receiving certification in New York State, and whether placement in a school district is appropriate. If you answered yes to either a felony or misdemeanor, you **must be** prepared to share the original disposition of the case with this office, at your own expense. By signing this document, I give permission to the Director of Education Advisement & Field Experience to review my College Discipline Record.

I have read this policy statement and understand that false statements made herein are punishable by possible removal from the program. In addition, I agree to know and adhere to the New York State Code of Ethics for Educators to guide my practice and interactions with students, staff, community, families and peers.
