What Our Students Say About
SUNY College at Oneonta

“SUNY Oneonta classes are small which allows for better interaction between the students and for one-on-one interaction with the professor. The atmosphere, the education, the research opportunities, and the people are wonderful.”

Anyango K. – Kenya
Biochemistry Major
Class of 2011

“My experience at SUNY Oneonta was great! The atmosphere in the class was very friendly and faculty and staff were very approachable and helpful! My student life at SUNY Oneonta was memorable and exciting!”

Arina S. – Kazakhstan
Professional Accounting
Graduated with Honors
Class of 2010

“Oneonta’s campus size is perfect and a place where the professors know you and are always willing to help. The computer science program provides me a hands-on experience and I have gained a lot of knowledge from it. Now, I consider SUNY Oneonta to be my home away from home!”

Arjun S. – India
Computer Science Major
Class of 2012

A great campus amidst the beautiful mountains of upstate New York with access to the big city. A world class, experienced faculty and caring staff dedicated to the professional and personal goals of its diverse student body.
