What Our Students Say About SUNY Oneonta

“SUNY Oneonta classes are small which allows for better interaction between the students and for one-on-one interaction with the professor. The atmosphere, the education, the research opportunities, and the people are wonderful. Now in pharmacology school, I still keep in touch with my professors and the OIE!”

Anyango K. – Kenya
Biochemistry Major
Graduated with High Honors
Class of 2011

“My experience at SUNY Oneonta was great! The atmosphere in the class was very friendly and faculty and staff were very approachable and helpful! SUNY Oneonta was memorable and I was hired by an accounting firm right after graduation.”

Arina S. – Kazakhstan
Professional Accounting
Graduated with High Honors
Class of 2010

“Oneonta’s campus size is perfect and a place where the professors know you and are always willing to help. The computer science program provided me a hands-on experience and helped me get to graduate school.”

Arjun S. – India
Computer Science Major
Graduated with High Honors
