Gender Out Of Bounds

Cross-disciplinary conversations about the unexpected, surprising ways that gender matters in our diverse fields

Faculty Seminar

Dr. Susan C. Turell, Dean School of Social Science

Thursday, April 24, 2014
318 Milne Library
4:00 p.m.

My research path has led me to investigate community readiness and intimate partner violence (IPV) in same-sex relationships. If you attend, we’ll discuss my research to date. Also, I’ll introduce and invite a discussion of how work in same-sex IPV (in whatever form—physical, sexual, emotional) leads to a necessary reconceptualization from violence against women to patriarchal violence.
