

NYS Identification/Recruitment Program Migrant Recruiter

The Research Foundation for SUNY College at Oneonta invites applications for a part-time to full-time Migrant **Recruiter** for the NYS Migrant Identification/ Recruitment Program. This program identifies and recruits migrant children (0-22 years) throughout the state for educational and support service programs offered by the New York State Migrant Education Department.

Duties: This position will conduct a year round census in person in Cayuga, Delaware, Madison, Onondaga and Otsego counties. The candidate will work with school districts, migrant programs, community agencies and agribusiness partners within these counties.

Required Qualifications: Bilingual Spanish/English, valid driver's license, reliable car, and live within the recruitment area advertised.

Preferred qualifications: Prior experience working with migrant populations, willingness to work evenings and weekends.

The position provides mileage expense reimbursement and an excellent benefits package. Salary is \$14/hour.
