^{*}It is important to note the general annual maximum is set at \$5,000.00, your maximum annual contribution amount may not exceed the earned income limitation. If you are single, the earned income limitation is your salary (excluding your contributions to the dependent care FSA plan). If you are married, the earned income limitation is the lesser of your salary (excluding your contributions to the dependent care FSA plan). If you are married, the earned income limitation is the lesser of your salary (excluding your contributions to the dependent care FSA plan).
