

The Class of 2005

Alumni Profile

During the spring semester, the Class of 2005 voted to raise money for the construction of a new Signature Entrance Sign for our campus, located prominently on Ravine Parkway. Construction of the new sign began this summer.

With the backing of a dynamic class Executive Board and the strong leadership of President Erick Adame, the 16-member Senior Class Campaign Committee raised awareness and raised the bar for senior classes supporting the College. The committee helped plan and participated in all of the senior class events before and during senior week, including two new events. They also demonstrated their support financially by making their first charitable gift to our College.

The results of the Class of 2005 Campaign are a great illustration of the power of philanthropy and alumni participation! With a total of 663 donors contributing towards the Signature Entrance Sign, the Class of 2005 raised nearly \$8,000. Gifts from classmates ranged from \$1 to \$100. Also included was a gift of \$1,000 from the Alumni Association made in honor of the class as well as a gift of \$2,967, the balance of their class account. **Nearly half of the Class of 2005 (those wearing a College Seal pin on their gown) were asked to stand and be recognized for their participation during the 2005 Commencement ceremony.** What a proud moment for our College!

In addition to the success of their Class Campaign, the efforts of the Class of 2005 benefit our comprehensive Campaign, Changing Lives Since 1889. Simply by making a gift, the class has moved us toward our overall goal of a 20% alumni participation rate of giving. **Thanks for a job well done, and best wishes to the Class of 2005!**

The senior Class of 2005 set new records in support of the College!
