

## The Classes of 1957 and 2007

# Alumni Profile

**Congratulations  
to the Classes of  
1957 and 2007 for  
creating a landmark  
on our campus!**

For the first time in the history of our College, a graduating class and a 50<sup>th</sup> Reunion class joined forces to support their alma mater. The Senior Class of 2007 invited the 50<sup>th</sup> Reunion Class of 1957 to join their campaign to make a special gift to the College.

The Class of 2007 voted on several gift options and chose the 57-07 Gazebo. Located near the Science I Building, the 57-07 Gazebo offers a charming new landmark on campus.

All members of the Senior Class of 2007 and the 50<sup>th</sup> Reunion Class of 1957 were asked to make a gift to support the gazebo. Faculty, staff, and families also made gifts in honor of a graduating seniors or alumni celebrating their 50<sup>th</sup> reunion. Additional support came from Oneonta Auxiliary Services and the Alumni Association.

Those who made a gift received a special 57-07 Gazebo pin, designed by David Kaminsky '07. Members of the Class of 2007 who made a gift wore their pins at Commencement and were recognized for their philanthropic spirit.

Nearly \$24,000 was raised for the 57-07 Gazebo, which was dedicated during Reunion Weekend. This project clearly demonstrates that we can have a significant impact when we join together to support a worthy cause.
