

Part III. Please read carefully and initial if any applies to you.

_____ I have been dismissed from a college for disciplinary reasons .

_____ I have been convicted of a felony.

A felony in New York State law is defined as a crime for which more than one year in prison may be imposed. The felony applies only to those applicants who have been convicted as adults. Applicants who have been adjudicated as having juvenile delinquent or youthful offender status are not required to respond to the felon question. An affirmative response to either question will not automatically prevent readmission, but applicants will be asked by the College at Oneonta to provide additional information. The information will be reviewed by a campus committee, with an eye towards ensuring campus safety. Any falsification or omission of data may result in a denial of readmission or disciplinary action.

Part IV. Only students who were academically dismissed from Oneonta must check the next box

All decisions regarding courses discounted in the computation of the new grade point average are final. You may NOT change your decision. All course work discounted and previously earned grades will remain on your transcript. Discounted grades will have a "Z" in front of them indicating that they do not count in the computation of the G.P.A., and that any credit previously earned has been removed. Loss of credit MAY effect Financial Aid eligibility. Please contact the Financial Aid Office regarding this at 607-436-2532.

OPTION 1. Recalculate Academic G.P.A. (G.P.A. will be recalculated to at least a 2.0)

OR

Criteria for discounting grades and credit are as follows: For example,
