What Can I Do With A Major In…

English?

Compiled by the staff at the SUNY Oneonta Career Development Center

Introduction

Welcome to the wonderful world of English! This major is what we call a functional major, which means that college graduates with this major could use it in many fields. The English major uses analytical approaches to examine language, literature, cultural studies and writing. With the English major you can acquire many jobs such as a teacher, journalist and public information specialist. The employers of English majors come in a very wide range. There are many options like magazines, newspapers, colleges and universities. The employer market for English majors is endless. Majoring in English provides a background for further study in law, journalism, and radio or television communications.

“The best teachers teach from the heart, not from the book.” Author Unknown

Start a Strategic Plan

**General:**
Select a wide variety of electives.
Write for on-campus publications; develop speaking/debate skills; write and edit reports.
Obtain concentration in technical writing.
Take computer courses to gain knowledge about technical areas and trends.
Teaching:
Gain volunteer experience with Big Brother/Sister program, tutoring, sports, summer camps, teen counseling, childcare centers for special populations. Participate in school activities: debate, literary club, student publications and government, alumni and admissions work. Obtain certification for public school teaching. Obtain graduate degree for post-secondary teaching. Master’s required to teach introductory courses. Doctorate required for full-time professorships.

Publishing:
Participate in summer publishing institute. Develop word processing and editing skills. Work on student publications. Demonstrate talent, persistence, assertiveness and enthusiasm; be prepared to start entry-level. Obtain solid statistics background for research. Create portfolio of writing/ideas showing originality and imagination for creative department. Gain knowledge of various media, contemporary tastes and trends. Obtain campus newspaper, TV or radio experience.

Marketing:
Participate in student-run or personal business involving promotion and sales. Find internship in market research firm. Obtain internships/work experience to make yourself more marketable. Develop strong research skills, public speaking ability, enthusiasm and good interpersonal skills. Become an effective team worker by working on group projects for campus organizations. Develop organizational skills and concern for detail.

Law:
Become skillful in debate. Organize campus events, speaker or political rallies. Obtain summer or part-time work in law firm. Specialty training required for paralegals. Plan to attend law school to obtain Juris Doctor, the degree required for lawyers.

Business:
Get a business minor. Develop strong analytical and computer skills. Obtain cashier, teller or clerical experience. Gain experience as financial officer/treasurer in campus organization. A business minor and technical writing experience is helpful. Secure a leadership role in campus organization. Join student professional associations.

</table>
GENERAL INFORMATION

• A major in English can be good preparation for continued graduate or professional training in areas such as English, law, political science/government, public administration, psychology, counseling, communications, and religious studies (i.e., seminary).
• Develop a specialty area of interest via additional coursework and/or work experience for greater marketability within that specific career field.
• Save samples of written work to be used for a portfolio.
• Be prepared to be proactive, determined, assertive, and confident in order to secure freelance writing opportunities. Writers typically experience many rejections for each piece that is accepted for publication.
• Cultivate other career opportunities in order to supplement a freelance writing income.
• Obtain additional areas of expertise such as journalism, broadcasting, technical writing, or politics for specialized positions.
• For careers in advertising or public relations be prepared to begin in an entry-level position.
• A bachelor's degree in English is sufficient for many entry level positions in business and industry.
• Appropriate teacher certification is required for public school teaching.
• A graduate degree is required for teaching at the college or university level.
• Conduct informational interviews or shadow professionals in careers of interest to learn more about their jobs.
