## Safe Space Program

The mission of the Oneonta Safe Space Program is to support the campus in its effort to foster a bias-free learning and working environment for LGBTQ persons by providing education and training for the campus community. The Oneonta Safe Space Program will build awareness of the issues affecting LGBTQ persons as well as develop skills for allies. The program works to create more campus spaces where LGBTQ persons and their allies feel safe, supported, and valued as members of our college community.

## How to join the Oneonta Safe Space Network

Attend the 2-part workshop; each training meets twice for 2.5 hours. After completing the workshop, faculty, staff, and student are invited to become a part of the Oneonta Safe Space Network, but network membership is not a requirement for participation in the actual workshop.

### Network Member Responsibilities

- Display network symbol
- Be available to members of the College community who wish to discuss lesbian, gay, bisexual, transgender, and questioning concerns
- Share info about College and community resources related to LGBTQ life
- Respect people's need for privacy and confidentiality.
- Commit to continuing to learn about LGBTQ issues

## Look for the Safe Space Logo!!

Faculty, Staff, and students that are members of the Network display this symbol.
