

Slide 1

The screenshot shows the SUNY Oneonta Patient Portal registration page. At the top, there are input fields for 'User Name' and 'Password', followed by 'Login' and 'Register' buttons. The SUNY ONEONTA logo is prominently displayed on the left. The main heading is 'Welcome to SUNY Oneonta's Patient Portal'. Below this, a paragraph explains that new users must register and provides instructions on creating a unique user name and using their Oneonta email. A list of services available to logged-in users is provided, including self-scheduling, secure communication, immunization records, and health history forms. A privacy statement at the bottom assures users that their information is protected with SSL encryption and is not shared with anyone else.

Welcome to SUNY Oneonta's Patient Portal

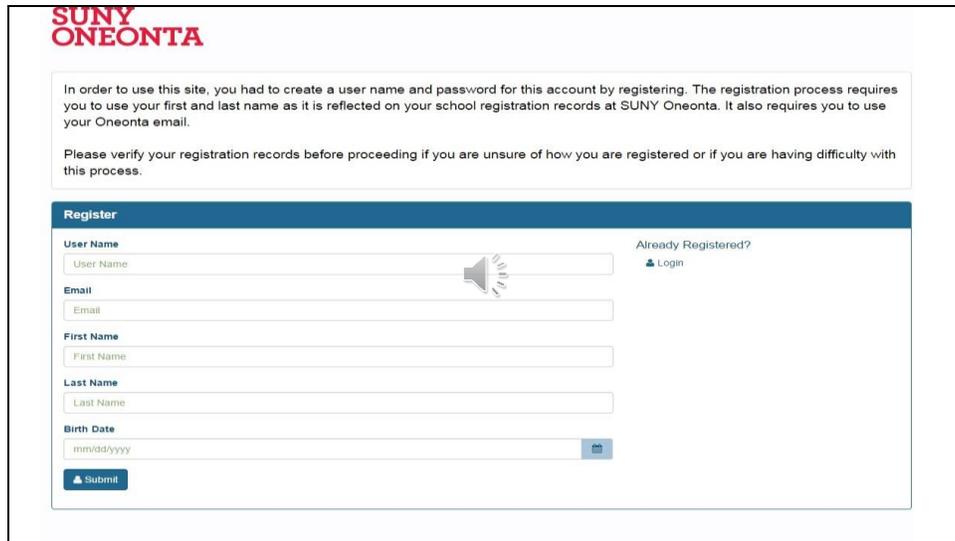

All new users must register; this portal is separate from other Oneonta sites you may have already have registered. To activate your account, please click the Register button. When you are registering, you create your own unique user name, it can be the same as your other Oneonta accounts. Your **email is your Oneonta email**. Once logged in you will have access to online services such as:

- Student self-scheduling
- Secure communication (you can respond to a message from health center staff but cannot initiate a new message at this time)
- Obtain immunization records
- Complete health history and other required forms
- Complete meningitis response form

We are committed to protecting your personal information. Data that you provide cannot be viewed by anyone else on the Web and is securely maintained by industry standard SSL (secure socket layer) encryption and decryption technology when needed. We do not share your information with anyone else.

To access the Health Center Portal click on the Health Center Portal link which can be found on your myoneonta or the Health Center home page.
Once you click the link this page will display.
Please click on Register at the top right of the screen.

Last Name

Birth Date
mm/dd/yyyy 

Your user name is anything you would like it to be.

The email address must be the email that was assigned to you by SUNY Oneonta. If you do not know your Oneonta email information or have not set up that account, please contact the information technology help desk at 607-436-4567.

You need to use your first and last name as it is reflected on your school registration.

When you click submit a pop up will display, stating an email has been sent to your Oneonta email with directions to set up your password and complete registration.

You will need to access your Oneonta email-open the email to complete your password setup.

You can use any password you choose.

This is the log in page. You will type in your user name and password that you just created.

Slide 4

Once logged in, you will be brought to the Student Health Center Portal home page. Here you can make an on-line appointment, access messages from Health Center staff, print your immunization records, access educational material and complete forms including the health history and the meningitis declination if you are declining the meningitis immunization.

Slide 5

The screenshot shows the SUNY ONEONTA patient portal interface. At the top left is the SUNY ONEONTA logo. To the right are links for 'Locations and Hours', 'Abigail Testpatient', and 'Log Out'. Below the logo is a navigation menu with 'Home', 'My Chart', 'Appointment', 'Immunization', 'Required Forms' (highlighted), 'Messages', and 'Education'. The main content area is divided into three sections: 'Student Portal', 'N/A', and 'Downloadable Forms'. The 'Student Portal' section contains 'Health History' (Completed on 3/11/2016) and 'Meningitis Refusal' (completed on 12/8/2014). The 'N/A' section contains 'Communication Preference' (Completed on 2/10/2016). The 'Downloadable Forms' section lists 'Proof of Immunization Form' and 'Proof of Immunization Form for International Students'.

Click on the top Tab called “required forms”.
You will be brought to this page-click on Health History.
Complete and hit the submit button.
