## A Wish for Leaders

I sincerely wish you will have the experience of thinking up a new idea, planning it, organizing it, and following it to completion, and then have it magnificently successful. I also hope you'll go through the same process and have something "bomb-out."

I wish you could know how it feels "to run" with all your heart and lose...horribly!!

I wish that you would achieve some great good for mankind, but have nobody know about it except for you.

I wish you could find something so worthwhile that you deem it worthy of investing your life within it.

I hope you become frustrated and challenged enough to begin to push back the very barriers of you own personal limitations.

I hope you make a stupid mistake and get caught red-handed and are big enough to say those magic words: "I was wrong."

I hope you give so much of yourself that some days you wonder if it's worth the effort.

I wish for you a magnificent obsession that will give you reason for living and purpose and direction in life.

I wish for you a magnificent obsession that will give you reason for living and purpose and direction in life.

I wish for you the worst kind of criticism for everything you do, because that makes you fight to achieve beyond what you normally would.
