# THE UNDETECTED RAPIST

A SPECIAL PRESENTATION FOR LAW ENFORCEMENT

DAVID LISAK, PHD

SUNY Oneonta PAIRS & the Opportunities for Otsego Violence Intervention Program present Dr. David Lisak has conducted research on what he calls the “undetected” rapists – men who commit rapes but who are either **not reported** or **not prosecuted** for their crimes. Lisak suggests that these “undetected” rapists represent the vast majority of rapists, and account for the vast majority of rapes.
