

How to view your grades using the ANGEL Grades Report

Log into the ANGEL system... and click on your course:

The image shows the ANGEL Learning Management Suite login page. At the top, the logo reads "ANGEL™ | LEARNING MANAGEMENT SUITE". Below the logo is a red header with the text "Log On". Underneath, there are two input fields: "Username" and "Password". A "Log On" button is positioned below the password field. At the bottom of the login area, there is a link that says "I forgot my password".

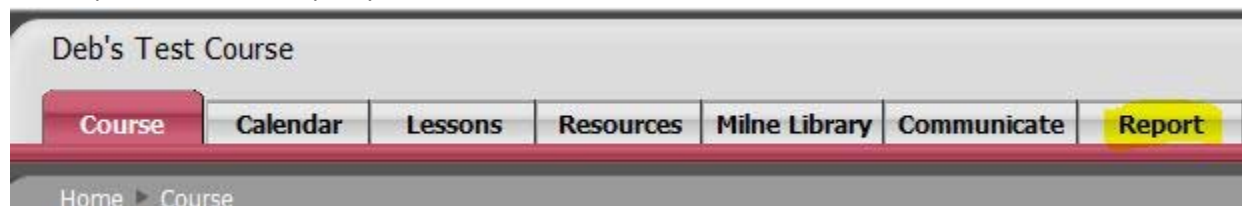

... and then click on your course:

The image shows a window titled "Courses" with standard window controls (edit, refresh, close). Below the title bar, there are links for "Find a Course" and "Add a Course". The main content area lists course categories and items:

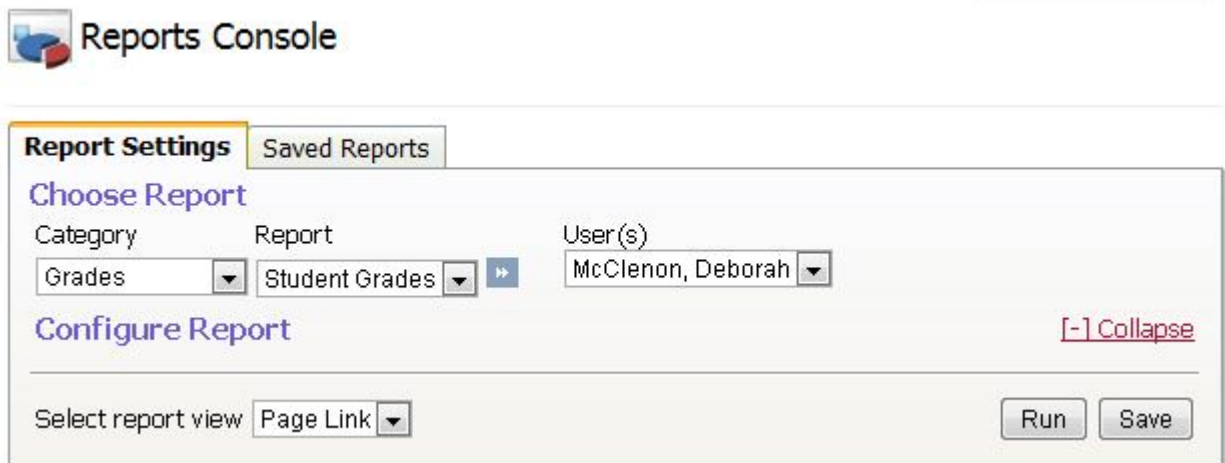

- All
 - Deb's Test Course
 - Role: Instructor
- Fall 2008
 - INTRO TO COMPUTING TECHNOLOGY - Fall 2008 (CSCI-100-01)
 - [Disabled] Role: Instructor
 - Tasks:

Click on the "Report" tab at the top of your screen:

The image shows a navigation bar for "Deb's Test Course". The tabs are: "Course", "Calendar", "Lessons", "Resources", "Milne Library", "Communicate", and "Report". The "Report" tab is highlighted in yellow. Below the tabs, there is a breadcrumb trail: "Home > Course".

Drop down the box in the Reports Console for the Category, and select "Grades". The system will automatically toggle the Report to "Student Grades". Now click on the "Run" button.

The image shows the "Reports Console" interface. It has a title bar with a small icon and the text "Reports Console". Below the title bar, there are two tabs: "Report Settings" (active) and "Saved Reports". Under "Report Settings", there is a section titled "Choose Report" with three dropdown menus: "Category" (set to "Grades"), "Report" (set to "Student Grades"), and "User(s)" (set to "McClenon, Deborah"). There is a right-pointing arrow between the "Report" and "User(s)" dropdowns. Below this is a section titled "Configure Report" with a "Select report view" dropdown (set to "Page Link") and a "[-] Collapse" link. At the bottom right, there are "Run" and "Save" buttons.

The report will show you grades broken down by category, with an overall grade displayed. This will also provide instructor comments if entered.
