

STUDENT ASSOCIATION

To The College Community:

The Student Association Senate is pleased to announced that they have passed the following statements:

Mission

The Student Association of the State University of New York College at Oneonta is the student government and primary means of student representation to the college community.

We advocate for the student voice and provide resources to create the best possible campus climate for our students.

At all times, in every aspect we shall do what's best for the student population as a whole by incorporating the needs of all constitutes.

2007-2008 Vision

To review the governmental structure, the comprehensiveness of currant policy and procedure and improve financial security.

To further student voice, preference, communication and respect within our own government and the campus community as a whole.

To instill a sense of pride in the community of witch we are apart.

Respectfully,

Jared Brett Lefkowitz
Student Association President
