

MAKE A GIFT IN HONOR OF GRADUATING SENIORS!

The College at Oneonta Senior Class of 2008 has selected their class gift to the College. They have established a Preserve the Pillars Fund, which will provide the necessary funds to carefully maintain the pillars of Old Main.

The pillars of Old Main have real significance for the Class of 2008, as they were the first class to participate as Freshmen in the popular tradition, Pass Through the Pillars. When they make their Pass Through the Pillars on May 7, 2008, they will be the first senior class to complete the cycle.

Each member of the Class of 2008 is being asked to make a donation of \$20.08 to the Preserve the Pillars Fund, and their goal is \$15,000.

Many faculty and staff have inquired about the possibility of contributing to this fund in honor of a graduating senior or group of seniors.

If you would like to make a gift in honor of a student or group who has impacted your Oneonta experience, please complete the form below and return it with your gift.
