

**Image Release Form**

**Date** \_\_\_\_\_

Before any image is displayed in/on the College Website and/or publication(s), the signature of the subject of the image must be procured. This release applies to any individual in an image that is recognizable as that individual. Parents may sign for minors, but minors should not be identified by name in the webpage(s) and/or publication(s).

The signed release must be kept as long as the relevant image is used on the website(s) and/or publication(s). Subjects in webpage images have the right to request that their image be removed from the webpage at any time.

If group photos are taken, the words "the undersigned" can be written and the group may sign below.

Any questions about the use of images on the College Website should be addressed to [webmaster@oneonta.edu](mailto:webmaster@oneonta.edu).

***I hereby give my permission to the State University College at Oneonta to use my image(s) for official publications including the College website. I understand that I will not be compensated for my time or the rights to use the image(s).***
