The 9th Annual College at Oneonta Red Dragon Open Golf Tournament will be held on Friday, September 25, 2009, to benefit the William L. Ryder-John J. Michalak Computer Science Scholarship. Since its inception in 2001, the Red Dragon Open has raised over $200,000 to benefit students at the College at Oneonta. Once endowed, this scholarship will provide financial support for SUNY Oneonta students who are majoring in Computer Science.

The tournament will kick-off at 10 a.m. with a “shotgun start”. The format is Captain and Crew (4 person scramble). Awards to the winners, a prize raffle, and the usual long drive, closest to the pins, hole-in-one, etc., contests will be included.

Registration begins at 9 a.m. (continental breakfast provided) and a special lunch will be served on the course. Beverages will be provided on the course throughout the round, followed by an awards dinner and raffle drawings at the tournament’s conclusion.

A reservation form is included for your use. Please complete the form and mail it back with your entry fee as soon as possible. The tournament will be limited to thirty-two (32) four (4) person teams and we expect the field to fill up quickly!

We look forward to a wonderful day of golf and fund-raising and hope that you will be able to attend and support the William L. Ryder-John J. Michalak Computer Science Scholarship.

Information About This Year’s Scholarship

The William L. Ryder-John J. Michalak Computer Science Scholarship was established by Dr. James Ryder and Mrs. Kathryn Ryder. The scholarship will be awarded annually to a sophomore or junior who is majoring in the field of computer science. Additional criteria include that the student must maintain an overall 2.75 GPA with a 3.0 GPA in computer science coursework.

Preference for the scholarship will be for students who distinguish themselves in the contributions to the Computer Science Program or within the Mathematics, Computer Science, and Statistics Department.

We are pleased that proceeds from this year’s Red Dragon Open Tournament will go towards endowing this worthy scholarship.

Past Scholarship Beneficiaries Include:
2008 Chemistry-Biochemistry Department — $42,000
2007 Craig Richard Sturdevant ’88 — $42,000
2006 Biology Department — $32,482
2005 Omicron Delta Kappa — $29,976
2004 Barton Ingersoll Criminal Justice — $22,688
